

Dr. Eddie's Happy Cappy®

HAPPY CAPPY DAILY SHAMPOO & BODY WASH

- ✓ A pediatrician's solution for soothing normal skin and dry, itchy, irritated, eczema prone skin for children of all ages
- ✓ Free of skin irritants like fragrance, dye, alcohol, sulfates, phthalates, and parabens

OUR UNIQUE FORMULA:

- ✓ Complies with pediatric dermatologist recommendations for eczema by being a non-soap cleanser that is hypoallergenic, fragrance free, and has a low pH
- ✓ Non-soap means that we do not use harsh surfactants that strip skin of its natural moisture
- ✓ Has a low pH (unlike most other soaps) to match the pH of normal skin, which preserves the barrier function, and antimicrobial activity of skin

Ingredients carefully selected for their soothing properties—Oatmeal Extract, Licorice Root Extract, Aloe Vera, Provitamin B5, and Hyaluronic Acid

95% of ingredients are of natural plant-based origin

Happy Cappy is dermatologist and clinically tested, cruelty-free, and vegan

Gentle Moisturizing Cleanser to be used daily or alternate on the days you are not using Happy Cappy Medicated Shampoo & Body Wash
